

# Anna Spinato's Prosecco DOC Rosé Brut millesimato

scritto da Wine Meridian Editorial Staff | 20 Dicembre 2022

Prosecco Spumante DOC Rosé brut is both a fine example of a Prosecco sparkling wine made from 85% Prosecco and 15% Pinot Noir organically grown grapes which are gently pressed and kept at a cool temperature on the fine lees to yield a super fine creamy perlage. The wine is characterized by a bright hue of pink salmon. On the nose there is a mingling bouquet of pomegranate, blackcurrant, and peaches, while on the palate is fresh and soft. This sparkling makes for an excellent aperitif or it can be paired to raw or cooked fish dishes and light meat dishes. To be noted, this is a sustainable, organic vegan produced with no use of substances of animal origin.
