

Assuli's Fiordiligi

scritto da Wine Meridian Editorial Staff | 22 Dicembre 2022

Baglio Assuli winery represents a production of Sicily's most popular and typical grapes showing true varietal character. This 100% Grillo DOC originates from the area of Trapani home to the Grillo variety which is typified by its soils of medium texture, rich in limestone and mineral content. Aged on the lees for 4-5 months in stainless steel tanks it is a straw yellow hue with greenish reflections. On the nose it is zesty with citrus fruits and pineapple, while on the palate it is bold and intensely fruity with a savory, mineral finish which adds to its complexity and length. It is an excellent pairing to fish dishes and in particular to fish tempura and fresh fish fries.
