

# Assuli's Lorlando

scritto da Redazione Wine Meridian | 27 Dicembre 2022

Baglio Assuli winery represents a production of Sicily's most popular and typical grapes showing true varietal character. It's Nero d'Avola DOC Lorlando, made from organically grown grapes is fermented in stainless steel which gives the wine a lively freshness characterized by ripe fruity aromas. Exemplified by a typical luminous, purple hue, this soft and sensuous 100% Nero d'Avola is typified by intense, brambly fruit aromas on the nose while the well-balanced softness of the palate reflects the fruity nature of the wine. It is a very versatile wine which pairs well to meat, cheeses and pasta dishes.
