

Bosco Viticultori's Prosecco DOC Pra dei Dogi

scritto da Redazione Wine Meridian | 9 Settembre 2023

A wine cooperative in the heart of Veneto with 2000 members and a vineyard area of 6300 hectares: these are the numbers of Vi.V.O. Cantine, which recently presented the new Pra dei Dogi line, bringing the honors back to the famous Venetian republic. The line is made up of products such as Pinot Grigio Venezia DOC, Merlot of the same denomination and finally the wine tasted today, Prosecco DOC Brut. Under the expert guidance of managers and highly skilled and visionary technical personnel, this company ennobles with the Pra dei Dogi line the many years of development increasingly aimed at the certified quality of the wines.

Prosecco Pra dei Dogi is a confirmation of this: a 100% sparkling wine from Glera grapes that brings out its brilliance and the extreme finesse of a rich and very fine

perlage in the glass.

On the nose, the breadth of citrus notes is the background to the clear and delicate floral impact arriving at aromas of apple that make it particularly “crunchy”.

In the mouth, the harmonious balance of the olfactory part and the pleasantness and immediacy of this Prosecco make it perfect for the most pleasant occasions to spend in company. Ideal as an aperitif, its mineral and pleasantly savory content makes it the protagonist of a dinner based on fish and shellfish but also to accompany pasta with delicate vegetable ragouts.

We appreciated it with spaghetti with clams and Cabras bottarga and it was a great enhancer of the excellent raw materials used.

Company Profile

With more than 2,000 producer members and about 6,300 hectares of local and international vineyards, Vi.V.O. Cantine is, in terms of size, the leading wine cooperative of the Eastern Veneto area and the fourth one nationwide. Vi.V.O. Cantine Società Agricola Cooperativa was established in 2012 as a result of the merger between Cantina Produttori Campodipietra and Cantine Produttori Riuniti del Veneto Orientale, and it now includes eight wineries located in Treviso and Venice areas, as well as “Bosco Malera” and “Vi.V.O. Agricola”, wine-making and bottling companies. It is aimed at enhancing the DOC Prosecco, Venezia, Delle Venezie, Piave, Lison Pramaggiore and DOCG Lison and Malanotte Wines, as well as at achieving economies of scale with increasing yields.
