Madonna delle Vittorie's Trento DOC Brut Millesimato

scritto da Giovanna Romeo | 22 Luglio 2022

From Arco and Nago Torbole, in Trentino, comes the production of this precious Blanc de Blancs, vintage 2017, obtained from

the best Chardonnay grapes of the vineyards owned by Madonna delle Vittorie winery. Located in the area surrounding the lake, an ideal place for the production of Trento DOC, the winery works on 26 hectares of Guyot trained for the production of very high quality sparkling wines.

Straw yellow with bright tones, this wine offers a silky texture and dense effervescence sip, in perfect balance between a calibrated acidity and citrus freshness. Floral memories, aromas of fresh fruit, candied citrus fruits, hazelnuts and toasted almonds are the taste olfactory evolution of aging on its own yeasts for at least 36 months.
With an excellent structure, it reveals on the palate a finish that is a true magic of finesse and salinity. The Brut dosage maintains the territorial connotation of a classic method fully corresponding to the qualitative profile of one of the most suitable areas for sparkling winemaking.
A wine that will amaze over time. It looks good anywhere, from an aperitif to a whole meal proposal.

Company Profile

The winery Madonna delle Vittorie is located on Lake Garda's northern bank (in the region Trentino) in a landscape context of rare beauty. The winery's vineyards and olive groves cover the rural area extending from Arco to Riva del Garda and Nago-Torbole. Suitable soils, the mild microclimate, daily winds (Ora and Pelér) and the temperature range between day and night are ideal factors for wine growing, and ensure the maximum development of the grapes' aromas.
