

# Italian Wines in the World: A. R. Lessini Durello of Marcato

scritto da Redazione Wine Meridian | 25 Febbraio 2016

## Marcato

Marcato winery has an undoubted merit, it was the first to produce sparkling Durello with the classic method, and it was among the first companies to convey this extraordinary sparkling wine made from native grapes. Moreover, Marcato was also the first winery of Durello to focus on long aging on the lees, up to 10 years. Pioneer then of quality sparkling wines, Marcato is also promoter of a new course of Soave and of structured red wines of Colli Berici.

Production area: Soave

Established: 2013

Hectares: 55

Yearly production (bottles): 450.000

Via Prandi, 10

Yearly production (bottles): 4.000

Ageing: Permanence on yeast for 8-12 years

Designation: DOC

Grapes (%): Durella 85%, Pinot Nero 15%

This wine is the thoroughbred of the cellar. When Marcato decided to put to rest the first bottles of AR 15 years ago, no one assumed the unique potential of this grape variety. In this a sparkling wine of rare intensity with a surprising scale of taste was born. The wine comes from the selection of the best grapes and the best years. Moreover, it rests on the lees for 10 years in underground cellars: a refinement that gives it a delicate perlage, balanced by an important structure that allows a further evolution in the bottle. Suitable for a consumption throughout the meal, ideal with important second courses.
